Organize PROJECT MANAGER CASE

OFFICE

The new Project Manager Case *keeps essential files and notes organized* for quick access to an entire project. Its *transparent, plastic lid and base* make it easier to store and identify letter-sized files and folders, legal pads, day planners, and other office items.

The Project Manager Case is *durable and compact*, and *easy to carry* to meetings or in a briefcase. Its *molded-in "feet"* provide stability when storing on a shelf or in a drawer. Its *single latch* snaps securely closed and endures daily office use.
